

FACULTY LECTURER POSITION IN FASHION DESIGN
Department of Human Environmental studies
College of Education and Human Services
Central Michigan University

Position Description: Full-time, 9-month fixed term fashion design lecturer position beginning August 19, 2019. Teaching areas may include at least two of the following: apparel design/product development, 3D virtual prototyping/CAD, flat pattern, beginning and intermediate studios.

Required Qualifications: Master's degree (Ph.D. preferred) in fashion design or a Bachelor's degree in Fashion Design with a minimum of 6 years of appropriate industry experience; ability to perform the essential functions of the job, with or without reasonable accommodations.

Preferred Qualifications: Preference will be given to candidates with teaching experience and current technology skills

Related Information The Department of Human Environmental Studies offers a bachelor's degree in Fashion Merchandising and Design (FMD) with two concentrations in Design and Merchandising for face-to face programs. The online program also has two concentrations: Fashion Product Development and Visual Merchandising. The program serves approximately 300 majors and minors with well equipped classrooms, laboratories and a nationally recognized computer-aided design component. Cutting edge facilities and equipment are available through CMDT as well as departmental labs for teaching and research purposes. Examples include a body scanner, digital textile printer, Gerber and MODARIS, PLM, pattern-making systems, hot plate, Instron, spectrophotometer, thermal cameras, 3-D printer, and two walk-in environmental chambers. Strong internship placements and opportunities for study abroad provide a competitive edge in the job market demonstrated by over 90% placement rate of our graduates for almost two decades. Our graduate program offers a M.S. degree in Apparel Product Development and Merchandising Technology.
