

**Assistant/Associate/Full Professor, Tenure Track –  
Fashion Design & Product Development  
Textiles & Apparel, Technology & Management**

The department of Textiles & Apparel, Technology & Management (TATM) at NC State University seeks applicants for a full-time, 9-month, tenure track Assistant/Associate/Full Professor in Fashion Design and Product Management, beginning in the Fall 2020 semester.

The Wilson College of Textiles (WCOT) is recognized as a worldwide leader in textile education and research. The interdisciplinary WCOT incorporates programs that approach science from both fundamental and applied perspectives. Current academic and research programs deliver knowledge that informs global textile supply chains based on inputs from chemistry, design, engineering, management and marketing. Areas of emphasis include: brand management, color science and chemistry, composites, fashion design, product development, fibers, forensics, medical textiles, nano-textiles, nonwovens, polymer science, protective clothing, smart textiles, supply chain management, sustainability, transportation textiles and textile design. For more information on the college and the department, please visit our website: [textiles.ncsu.edu/tatm/](http://textiles.ncsu.edu/tatm/)

**Responsibilities:**

- Engage in a program of research/creative activity, leading to funded and collaborative projects in fashion design and product development areas.
- Teach and direct courses in fashion design, pattern making, draping, apparel construction, 2D and 3D pattern development and visualization, product data management, portfolio evaluation, and presentation.
- Develop and maintain strong relationships with industry partners to benefit research and teaching activities in the TATM department.
- Participate in committees at the program, department, college, university and professional organization levels.
- Actively supervise and mentor undergraduate and graduate students for research, presentations and extracurricular activities and competitions.
- Engage in scholarly and creative activities.
- Develop and maintain up-to-date fashion industry knowledge.

**Required Qualifications:**

- PhD, MFA or terminal degree in the discipline from a recognized university or equivalent terminal academic qualifications.
- Evidence of scholarly activities commensurate with rank.

In addition to the above qualifications, creative leadership experience in patternmaking/construction techniques and/or illustration and visualization, sustainability, fashion technology, supervising undergraduate/graduate students in fashion design and development; proven record of teaching effectiveness; experience with successful grantsmanship; and/or prior industry employment/partnership experiences are strongly desirable.

### **Salary and Benefits:**

Salary commensurate with qualifications and experience. Benefits include comprehensive insurance package.

### **Application:**

All applicants must create an application online at <https://jobs.ncsu.edu/>. Applicants must submit online (1) a letter of application, (2) curriculum vita, (3) statement of teaching and research philosophy, (4) digital portfolio or pdf of professional work and examples of student work and (5) the names, addresses, and phone numbers of three references. Review of applications will commence **March 16, 2020** and will continue until the position is filled. NC State University is an equal opportunity/affirmative action employer. Job Posting: <https://jobs.ncsu.edu/postings/129652>
