Instructions for uploading papers to the Iowa State Digital Repository

When your paper from the ITAA Conference is ready to upload for inclusion in the conference proceedings, please navigate to the ITAA Proceedings site at

https://lib.dr.iastate.edu/itaa_proceedings/.

Before you begin, you'll need to set up an account. In order to create a new account, click on the "My Account" tab in the top navigation bar and follow the directions to create an account. The first screen presents the publication agreement, which you must agree to before proceeding.
