

itSMF Membership Benefit Program

itSMF is pleased to announce that itSMF Australia members now have the opportunity to save up to \$220 on new Qantas Club membership. Existing Qantas Club members will save \$80 on renewal.

If you travel frequently on business Qantas Club membership is a valuable companion, providing lounge access and a place to work and meet while waiting for your flight along with streamlined check-in options regardless of your class of travel.

QC Membership benefits:

At the Airport:

- Dedicated Check-in
- Priority Baggage
- Extra Checked baggage allowance
- On departure upgrade requests for Qantas Australian Domestic flights
- Priority waitlist and Airport standby
- Discounts on Qantas meeting room rates

In the Lounge:

- Access to Qantas club lounges when travelling
- Workspaces with PC terminals, free wifi and printer access
- International Business Lounges
- Access to Qantas Meeting rooms at discounted rates
- Guest access when travelling together

Existing Qantas frequent fliers or Qantas Club members maintain all their existing QFF and Status privileges, eg Gold Frequent Fliers retain free access to the Lounge but assist other itSMF members access the benefits by joining the itSMF group. Also if you don't reach your status at any time the itSMF discount will automatically be applied on your next renewal.

Joining the itSMF QC group is as simple as emailing a request to join the itSMF Qantas Club

group, with your name, *itSMF* member number and Qantas Club membership number to michelle.crawford@itsmf.org.au

You will maintain your existing Qantas Club number, details, renewal date and benefits and Qantas will continue to deal with you directly. Qantas will contact you directly when your renewal is due.

If you're not yet a Qantas Club member and would like to join, email Michelle your

- *itSMF* Member No.
- QF Frequent Flier No. or
- Full name and Contact details

Please note: This offer is subject to a minimum participation rate and subject to variation by Qantas. Applicants will be advised if we fail to reach the required threshold.
