

PROFESSIONAL SERVICE MANAGEMENT AWARDS 2020

YOUNG ITSM PROFESSIONAL OF THE YEAR

Presented to an individual under the age of 30 who has demonstrated an outstanding level of achievement, ability and team support in the early years of their ITSM career, and who also promises great potential for future success.

How do I make a nomination?

1. First, let us know [here](#) that you are entering a PSMA2020 award nomination. Please include your contact details, organisation, award category, and a brief description of the nomination (around 100 words) outlining who you are nominating and why.
2. Next, by **30th September 2020**, please provide the full written nomination, as follows:
 - Briefly describe the nominee's organisation and the sector in which it operates.
 - Describe the nominee's role and responsibilities, and any projects or activities they have been involved in that contributed to the decision to nominate them.
 - How has the nominee demonstrated an outstanding level of achievement, ability, progress or team support and what impact has that had on their team or customers?
 - In what ways has the nominee shown potential for future success?
 - In a nutshell, what makes the nominee a strong contender for Young ITSM Professional of the Year?

You should aim for between 1500 and 2000 words, submitted in Word. You are welcome to add supporting images and/or digital content if you think it would enhance your nomination.

Please submit this information by 30th September at the latest to awards@itsmf.co.uk.

What happens next?

From the written submission our judges will select their finalists.

If you are short-listed for the awards, you will be notified by mid-October and asked to prepare a video expanding on the nomination.

The video will be used for two purposes:

- to help the judges select the winning nomination in your award category.
- to be shared as part of the PSMA2020 Awards Stream. The stream will be a major part of the content at this year's [ITSM 2020 Digital Conference](#), running up to the PSMA2020 Awards session on day 2 where the winners will be announced.

The video should be no longer than 30 minutes, but otherwise you have a free rein. It can be a presentation by the nominee, a discussion between nominee and nominator, a roving interview around your department outlining the nominee's achievements. It's up to you. We just ask that you to confirm that you are happy to share the content with other members at and after the Conference.

You are welcome to start making the video at the time that you prepare your written nomination; however, we will only use it in the Awards stream if the nominee is selected as a finalist.

Please let us know if you have any questions: awards@itsmf.co.uk
