Federal S.T.O.P. Violence Against Women Act Grant Guidelines

Overview

The following information provides guidelines and requirements specific to the Federal Services*Training*Officers*Prosecutors Violence Against Women Formula Grant Program (S.T.O.P. VAWA). The S.T.O.P. VAWA grant was established through the 1995 Violence Against Women Act and subsequent Reauthorization Acts. The S.T.O.P. VAWA supports communities in their efforts to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women; develop and strengthen victim services in cases involving violent crimes against women; and promote a coordinated community response to victims of domestic violence, dating violence, sexual assault/rape, and stalking.

According to federal guidelines, the allocation of funds must meet the parameters outlined below.

- A minimum of 25 percent for law enforcement, 25 percent for prosecution, 5 percent to courts, and 30 percent for nonprofit, community, and faith-based victim service organizations. The remaining 15 percent may be allocated at the discretion of the Kansas Governor's Grants Program (KGGP) within the parameters of the Federal S.T.O.P. VAWA guidelines.
- Within the 30 percent of funds allocated to victim services, a minimum of 10 percent will be distributed to culturally specific community-based organizations, defined as organizations providing services that are "primarily directed toward racial and ethnic minority groups."
- A minimum of 20 percent of funds will be allocated to projects that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.
- No more than 5 percent of funds may be used to conduct public awareness or community education campaigns or related activities to broadly address domestic violence, dating violence, sexual assault, or stalking (project purpose area number 20).

Grant awards are made to communities where applicants can demonstrate work with criminal justice agencies and victim service providers in responding to victims' needs and holding offenders accountable for their actions. Available grant funds may be awarded to units of state and local government; Native American Tribes; and nonprofit, community, or faith-based organizations, including underserved and culturally specific populations. Nonprofit, community, or faith-based organizations must be registered with the Kansas Secretary of State and have proof of exempt status as determined by the Internal Revenue Service.

Requirement

If funded, organizations will be required to implement a policy regarding response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. Upon request, Subgrantees will be required to

provide a copy of the policy to KGGP staff. Additional information can be found here: <https://www.justice.gov/ovw/page/file/1295756/download>.

States and territories are encouraged to develop and support projects, to the extent consistent with the program’s authorizing statute, that substantively address one or more of the priorities listed below:

1. Measures to combat human trafficking and transnational crime, particularly crimes linked to illegal immigration and cartel operations, that support safety and justice for trafficking victims who have also suffered domestic violence, sexual assault, dating violence, and/or stalking;

3. Proposals submitted by units of local government and public agencies that certify compliance with federal immigration law, including 8 U.S.C. § 1373.

New Requirement for Prosecutors

In order for a prosecutor’s office to be eligible to receive grant funds under S.T.O.P. VAWA, set out in 34 USC 10454, the head of the prosecutor’s office shall certify to the KGGP, that the office will, during a three-year period, engage in planning, developing, and implementing the following:

- Training developed by experts in the field regarding victim-centered approaches to domestic violence, sexual assault, dating violence, and stalking cases.
- Policies that support a victim centered approach, informed by such training.
- A Protocol outlining alternative practices and procedures for material witness petitions and bench warrants that shall be exhausted before employing material witness petitions and bench warrants to obtain victim-witness testimony in the investigation, prosecution, and trial of a crime related to domestic violence, sexual assault, dating violence, and stalking of the victim in order to prevent further victimization and trauma to the victim.

Match Requirements

The purpose of matching contributions is to increase the resources available to the projects supported by grant funds. Matching contributions of 25 percent (non-federal cash or in-kind services) of the total cost of each S.T.O.P. VAWA grant project (federal grant award plus match) are required for each S.T.O.P. VAWA funded grant project, with the exception of any tribe or nonprofit victim service organization, which are exempt from the match requirement if receiving funds from the 30 percent allocation for victim service organizations.

Example:	Total Grant Project Cost	= \$50,000
	75% Federal Share	= \$37,500
	25% Match	= \$12,500

For purposes of this grant program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, workspace, or the monetary value of time contributed by professional and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded grant project. The value

placed on donated services must be consistent with the rate of compensation paid for similar work in the applicant's organization. If the required skills are not found in the applicant's organization, the rate of compensation must be consistent with the local labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality. The basis for determining the value of personnel, services, materials, equipment, and space must be documented. **Volunteer services must be documented and, to the extent feasible, supported by the same methods used by the applicant for its employees.**

The U.S. Department of Justice (DOJ) [DOJ Grants Financial Guide](#) (updated September 2025) governs the source of the non-federal match. Generally, cash match must be funds from non-federal sources that are committed for the approved grant project. Please refer to the [DOJ Grants Financial Guide](#) for all allowable sources of cash match.

All funds designated as match are restricted to the same uses as the Federal S.T.O.P. VAWA Grant Project funds and must be expended within the grant project period. The match requirement may be waived if extraordinary need is documented, and a request is submitted to the KGGP by the applicant (see Match Waiver Request information on page 23).

***Additional unallowable activities were included in the Federal FY 2025 S.T.O.P. VAWA Notice of Funding Opportunity. Inclusion of the additional unallowable activities is currently blocked by a court order. Should that court order be overturned, KGGP will update Subgrantee VAWA grant award documents accordingly.**

Educational Programming

Project funds shall only be used to support the development or presentation of a domestic violence, dating violence, sexual assault, and/or stalking curriculum for primary or secondary schools as it directly relates to project purpose area number 20, which is limited to no more than 5 percent of the state's total S.T.O.P. VAWA grant award for the year.

Project funds shall only be used to conduct public awareness or community education campaigns or related activities as it directly relates to project purpose area number 20, which is limited to no more than 5 percent of the state's total S.T.O.P. VAWA grant award for the year.

Food and Beverage

Purchasing food and/or beverages for any meeting, conference, training, or other event is not allowed. No food and/or beverages can be purchased with other funds constituting program income for a federal grant award. This restriction does not impact direct payment of per diem amounts to individuals in a travel status under the applicant's travel policy. The OJP guidance on food and beverage, conference planning, minimization of costs, and conference cost reporting is U.S. Department of Justice (DOJ) [DOJ Grants Financial Guide](#).

Travel-Related Expenses

Grant project funds shall not be used to reimburse travel-related mileage and meal expenses in excess of the applicant's approved policy rate or the current federal per diem rates, whichever is lower. If the applicant chooses to reimburse at a rate in excess of the current federal rate, per its agency policy, grant funds administered by the KGGP cannot be used to make up the difference.

Equipment

Fringe Benefits

Grant project funds used for fringe benefit costs shall not be charged to the project at an amount exceeding the proportion of personnel costs supported by S.T.O.P. VAWA funds.

Training

Grant project funds for training or conference attendance outside the State of Kansas are not allowed unless necessary and essential to the grant project's success. The applicant must demonstrate comparable training is not available in Kansas.

Activities that Compromise Victim Safety

Enhancing victim safety and offender accountability is a guiding principle underlying the S.T.O.P. VAWA grant. Experience shows responses by the authorities may have the effect of minimizing

or trivializing the offender's behavior. Consistent with the goals of ensuring victim grant projects that include any activities that may jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Such activities include:

- Procedures or policies that exclude eligible victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, income or lack of income, or the age and/or sex of their children [34 U.S.C. 12291(b)(13)(A)];
- Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;
- Procedures or policies that require victims to take certain actions in order to receive services (e.g. seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.);
- Procedures or policies that fail to include conducting safety planning with victims;
- Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;
- The use of pre-trial diversion programs without prior OVW review and approval of the program or the automatic placement of offenders in such programs;
- Couples counseling, family counseling, or any other manner of joint victim-offender counseling as a routine or required response to domestic violence, dating violence, sexual assault, or stalking, or in situations in which child sexual abuse is alleged;
- Offering or ordering anger management programs for offenders as a substitute for batterer's intervention programs;
- Policies or procedures that require victims to report the crime to law enforcement, participate in the criminal justice system, or seek a protection or restraining order against the offender, and penalize them for failing to do so;
- Procedures or policies that deny victims and non-abusing parents or caretakers and their children access to services based on their involvement with the perpetrator;
- Requiring survivors to meet restrictive conditions in order to receive services (e.g. background checks of victims, clinical evaluations to determine eligibility for services) or other screening processes that elicit information that is not necessary for services, such as questions about immigration status, gender identity, sexual orientation, disability, physical or mental health, and work on criminal history that the service provider does not need to know about to provide services safely;
- Relying on batterer intervention programs that do not use court monitoring to hold batterers accountable for their behavior;
- Policies and procedures that fail to account for the physical safety of victims;
- Enforcing or promoting nuisance abatement ordinances, crime-free housing ordinances, or crime-free lease addenda (often associated with crime-free housing programs) that require or encourage the eviction of tenants or residents who may be victims of domestic violence, sexual assault, dating violence, or stalking;
- Using technology without addressing implications for victim confidentiality, safety planning, and the need for informed consent;

- Partnering with individuals or organizations that support/promote practices that compromise victim safety and recovery or undermine offender accountability; and
- Policies or procedures that require testing of sexual assault forensic evidence in cases where the victim obtained a medical forensic exam but has not chosen to participate in the criminal justice system.

Misuse of Grant Funds

Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under a grant, and civil and/or criminal penalties.

Supplanting

S.T.O.P. VAWA funds shall be used to supplement, **not** supplant, other federal, state, or local funds that would otherwise be available for victims of violence against women. The following guidelines should be used in determining the supplanting of funds. Although the examples provided below relate specifically to staffing scenarios, supplanting is not limited to personnel. Supplanting can occur in any budget line item if sufficient documentation cannot support that a S.T.O.P. VAWA grant award has not replaced funds otherwise available for the same program or purpose.

Defined: To reduce federal, state, or local funds for an activity specifically because S.T.O.P. VAWA funds are available (or expected to be available) to fund that same activity. S.T.O.P. VAWA funds must be used to **supplement** existing federal, state, or local funds for program activities and may **not replace** federal, state, or local funds that have been appropriated or allocated for the same purpose. Additionally, S.T.O.P. VAWA funding may not replace federal, state, or local funding that is required by law. In instances where a question of supplanting arises, the applicant or grantee may be required to substantiate that the reduction in non-S.T.O.P. VAWA resources occurred for reasons other than the receipt or expected receipt of S.T.O.P. VAWA funds.

Consultation and Documentation Requirement

Applications must include written documentation showing tribal or local prosecution, law enforcement, courts, and government agencies have consulted with tribal or local victim services programs during development of their grant applications to ensure that proposed activities and equipment acquisitions promote the safety, confidentiality, and economic independence of victims of domestic violence, sexual assault, stalking, and dating violence. During the consultations, applicants must not provide personally identifying information about adult, youth, and child victims of domestic violence, dating violence, sexual assault, and stalking; and must maintain the confidentiality and privacy of victims.

Grant Recipient Compliance and Reporting Requirements

Applicants awarded S.T.O.P. VAWA funds are expected to comply with the S.T.O.P. VAWA grant program requirements set out in the grant assurances, reporting requirements, and any requirements arising as a result of a compliance review. The KGGP will conduct a compliance review of each S.T.O.P. VAWA grant award. Failure to comply with these requirements may result in suspension or termination of grant funding.

In addition, subgrantees must comply with the provisions of the Federal Office of Management and Budget (OMB) Uniform Guidance for Federal Awards, [2 C.F.R. Part 200](#), and the [DOJ Grants Financial Guide](#), which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of S.T.O.P. VAWA funds. This includes, but is not limited to:

- Financial documentation for disbursements;
- Daily time and activity records specifying time and type of service devoted to allowable S.T.O.P. VAWA activities;
- Grant project files;
- The portion of the grant project supplied by other sources of revenue;
- Job descriptions;
- Contracts for services;
- Statistical documentation; and
- Other records that facilitate an effective audit, and grant analysis for compliance.

Agencies receiving a S.T.O.P. VAWA grant are required to submit the following certification and reports:

- **Five Most Highly Compensated Officers Certification** must be submitted to open the grant award.
- Monthly **Financial Status Report** provides fiscal information on expenditures made during the month. Monthly reimbursements are made based on these expenditure reports. These reports are due 20 calendar days after the end of each month.
- The **Projection of Final Expenditures Report** is due October 20, 2026.
- The **Grant Project Narrative Report** provides a narrative description of the activities and services provided with grant funds. The report is due January 20, 2027.
- The **Annual Progress Report** is due January 20, 2027.
- Any other reports that may be required by the federal government or the KGGP.

Agencies submitting late, incorrect, or incomplete reports will not receive payment until the next scheduled payments for grant programs. Repeatedly late reports, failure to submit reports or supporting documentation required by the grant assurances, or failure to respond to compliance

review findings in the timeframe provided will result in the suspension of grant funds. The subgrantee must come into compliance with grant requirements before grant funds will be paid.

Copies of all financial and statistical supporting documentation must be maintained by the agency for a period of five years following the closeout of the grant award.

Review of Applications

A grant review committee may assist the KGGP in determining S.T.O.P. VAWA grant awards. Applicants will be notified via the Grant Portal of the grant award decision. Please do not call regarding the status of an application.

Each grant application will be evaluated using the following criteria:

- Applicant’s support of the Guiding Principle, critical priorities, and strategies of the [Kansas Implementation Plan](#);
- Record of successful implementation of services in the victim services/criminal justice field;
- Quality of any needs assessment in terms of proposed services;
- Demonstration of clear, measurable, and appropriate grant project objectives and activities consistent with the purpose areas outlined in the grant application instructions;
- Efficacy of evaluative components, both programmatic and fiscal;
- Relevant budget information;
- Submission of all required documents and a complete application; and
- Applicant agency’s ability to fulfill all of the requirements of the S.T.O.P. VAWA grant program.

Applications submitted incomplete, with *any* missing components or information, will receive consideration only after all other successfully completed applications have been considered.

The following items must be included in the Project Narrative. Include each item in the order listed below and clearly label each section. The Project Narrative pages shall be numbered and shall not exceed 10 pages in length.

Problem Statement and Needs Assessment

The submission of an application presumes there is a definable problem that will be addressed by the requested grant funds. Provide a detailed explanation of the problem that will be addressed, either in whole or in part, with the requested grant funds. Provide data supporting the problem to be addressed in the grant application and site the source of the data provided. Describe how the grant funds will address the problem. Describe any needs assessment used to develop the problem statement, such as an evaluation of agency service activity or other assessment. If the applicant is comparing local data to state or national data, include information establishing the need locally or describing why the local community is limited in resources to address the problem.

Justification of Need for Grant Funds/Increase Request

Applicants must explain why S.T.O.P. VAWA funds are needed to support the grant project. This justification must tie the financial need to the described problem statement and needs assessment. If the applicant received a 2025 S.T.O.P. VAWA grant award, explain why grant funds are needed to support the continuation of the project and why other funds are not available to support the project. In addition, if the applicant is requesting a new budget line item or funding increase to line items from the previous grant award, explain the need for additional funds and what additional activities and/or services will be provided. Describe how the increase or addition of the new line item(s) is not supplanting other funds, per the definition in Supplanting section of application. If the expenses are existing agency costs or activities, the non-supplanting explanation must include a description of how they were previously supported and why that support cannot continue to be utilized. The applicant must ensure any request for additional funds outlined in the Project

Narrative corresponds to the grant project budget submitted. The applicant should state whether other funds have been sought to support the program and describe the outcome of those efforts.

Grant Project Goal(s) and Objectives

State the goal(s) of the proposed grant project. This should not be the goals of the agency but should be specific to the proposed S.T.O.P. VAWA-supported project. The goals for the grant project should be consistent with the mission and overall goals of the agency, as well as the results of the needs assessment. Identify which of the 24 grant project purpose area(s) is being addressed by this proposed grant project.

List the objectives to be accomplished to achieve each goal listed. Objectives should be specific, measurable, realistic, and consistent with the goals of the grant project and cover a single event or outcome. Include the activities for each objective and explain how each objective will be measured. The applicant must incorporate the [Kansas Implementation Plan](#) Guiding Principle, critical priorities, and strategies, found on pages 22 through 27 of the Plan, to the extent possible. Specifically identify any evidence-based programs and/or practices being incorporated into the proposed objectives and activities.

Example (follow the format below):

Goal I: Increase victim safety in Shawnee County through sensitive contact with victims and effective prosecution of domestic violence offenders.

Objective	Activities / Time Frame	Person Responsible
1. 90% of victims will be prepared to participate in the criminal justice process	1. Hire Crimes Against Women Prosecutor position to start by February 28, 2025. 2. Victims will be briefed (face to face) on trial proceedings, terminology, and options. March 1 – December 31, 2026	1. Prosecutor and Victim Coordinator
2. 90% of victims will report having received information on available community resources	2(a). Coordinate with community partners to optimize resources and make appropriate referrals. 2(b). Share community resource directory with victims to ensure needs are met. January 1 – December 31, 2026	2. Prosecutor and Victim Coordinator
3. The number of offenders charged will increase by 25% over the prior year	3(a). Warrants in domestic violence cases will be issued and served in a timely manner. January 1 – December 31, 2025 3(b). The Goal/Objectives/Activities incorporates the Guiding Principle by ensuring the Prosecutor and Victim Coordinator will work with law enforcement and other community partners to ensure victims receive the resources and referrals to best meet their needs. Priorities 2 and 4 and Strategy 1 are addressed through coordinating with community partners on resource sharing to strengthen victims' services and protocols in domestic violence cases.

Underserved and Culturally Specific Populations

Define the underserved and culturally specific populations identified in the agency's service area, including those that may be underserved because of race, ethnic, and cultural background, language diversity, persons with disabilities, or geographic isolation. Use [local data](#) to support the populations identified as underserved and culturally specific. Provide the applicant's plan, including a description of the steps taken to provide outreach and services to the underserved and culturally specific populations.

Additionally, if the audit report or the Auditor’s Letter to Management contains any findings or recommendations, the applicant must describe the steps taken or the plan to address them.

The budget must adhere to allowable costs and activities as outlined in this S.T.O.P. VAWA solicitation; Federal OMB Uniform Guidance for Federal Awards, [2 C.F.R. Part 200](#); and the [DOJ Grants Financial Guide](#) .
