The writing may consist of a computer generated form setting forth said delinquency. If any statement incorrectly reflects the continuing legal education status of the member it shall be the duty of the member to promptly notify the Commission of any claimed discrepancy in the education statement.

(2) If, by the first day of November immediately following, a member has neither certified completion by the June 30th immediately prior, of the minimum continuing legal education requirements set forth in SCR 3.645, nor applied for and satisfied the conditions of an extension under SCR 3.670 or exemption under SCR 3.665, the Commission shall certify the name of that member to the Board.
