

## We Are Now Offering Telehealth Visits

Springfield Family Physicians is committed to providing you care during this time and wants to offer added support as we face the coronavirus disease (COVID-19). We are now offering Telehealth visits. The Healow app allows you and your provider to have an appointment using video. The telehealth visit is HIPAA compliant to ensure your privacy. Call our office for more information. *Please note, you must be signed up with the patient portal to access a telehealth visit with your provider.*

For more information about telehealth visits, check out our website at [Springfieldfamilyphysicians.com](http://Springfieldfamilyphysicians.com) or call our office at 541-747-4300.
