

2024 Project Excellence Nominee

Metropolitan united Church Renovation

Nominated by Norlon Builders

The Metropolitan United Church Renovation project, managed by Norlon Builders London Limited, involved a comprehensive renovation of the historic church located at 468 Wellington Street, London, Ontario. This project was executed from April 2022 to August 2022 and focused on enhancing the church's main stage and sanctuary to serve both its congregation and as a new venue for London Symphonia, the city's professional symphony orchestra.
