**Leadership Texas** is an experiential leadership program for women leaders interested in understanding the cultural, economic and social shifts in the state of Texas.

Participants will travel to three Texas cities to broaden their network and understand issues facing Texas and its place in the world.

**Participants are typically ...**
- leaders in their organizations and/or communities
- seeking new opportunities to learn
- a change leader
- a strategic thinker
- a leader who has the ability to self-reflect and a desire to grow

**Outcomes**
- Exposure to tools that break you out of your occupational silo
- Inspiration for you to make a difference in your organization and/or community
- Gained self-awareness and purpose
- How to overcome adversity
- Increased tools to build self-confidence
- Greater understanding how to leverage your leadership style
- Understand the issues in Texas to impact social change

**Time Commitment/Tuition**
- Leadership Texas includes 3 sessions (2.5 days each) during the program year at the cost of $3,800 per person
- Participation may involve weekends (ex. Thursday thru Saturday or Sunday thru Tuesday)
- Optional virtual sessions
