COVER DESIGN (BY JORDAN ADVERTISING)

Leadership Oklahoma embodies the spirit of our communities through the symbolism of three chess pieces: the **Rook**, **Bishop**, and **Knight**. Set against a blue and magenta backdrop, these pieces are representational of our members' statewide connections, collaboration, and leadership.

The **Rook** moves in a straight-line representing stability and strategy. In return, it fuses the commitment to a strong statewide network that supports and uplifts communities.

The **Bishop**, with the ability to move across the board diagonally, symbolizes our leaders who navigate the landscape with dexterity and precaution. Meaning, when necessary, leaders can change tactics or direction even though they're confined to a diagonal path.

The **Knight**, known for its specific moves and adaptability, represents the progressive thinkers who dare to envision transformation, introduce innovation, and approach solutions which include all key players.

Collectively, **Leadership Oklahoma** is a collaborative spirit of leaders, dreamers, visionaries and connectors with a main goal of positively transforming the state of Oklahoma.

VISION

Oklahoma leaders making Oklahoma the leader.

MISSION

To create, inspire and support a dynamic network of leaders whose increased awareness and commitment to service will energize Oklahomans to shape Oklahoma's future.

BELIEFS & VALUES

Leadership Oklahoma will hear and answer the call to service. Its members will be passionate about Oklahoma and committed to its future. Members of Leadership Oklahoma will challenge the status quo because they believe that Leadership Oklahoma should play a significant role in helping Oklahoma achieve its ever-growing potential. As a result of their contributions, Leadership Oklahoma will help Oklahoma sustain a strong diversified economy, provide quality career opportunities for its citizens and create an increasingly attractive quality of life.

Leadership Oklahoma will foster change through a network of diverse leaders. Leadership Oklahoma will offer an enlightened perspective of the challenges and opportunities facing the state. Through outreach and collaboration, members of Leadership Oklahoma will engage others in support of common goals. Leadership Oklahoma members are expected to be persistent, informed, and involved leaders in the state, embracing a common vision and serving as catalysts to build Oklahoma's future.

LOK LOGO DESCRIPTION

In 1986, the Indian Blanket was adopted as The Official State Wildflower. That same year, a group of dedicated Oklahomans from across the state joined together to create Leadership Oklahoma. Membership in Leadership Oklahoma represents a commitment to lead Oklahomans into the future by association with other Leadership Oklahoma members.

In appearance, the Leadership Oklahoma lapel pin represents The Official State Wildflower, the Indian Blanket. This flower grows wild in various parts of Oklahoma from May through September. It grows to 15 inches tall and is about 2-1/2 inches in diameter.

In thought, it represents the Indian headdress. The Circle of Feathers is the traditional leadership symbol among Plains Indians. The tips can also represent a class debriefing where the Leadership Oklahoma class members sit together in a circle to discuss the issues of the day. The campfire circle has been used to resolve issues in Oklahoma longer than most of us can remember.

The Leadership Oklahoma logo is set in the center symbolizing a flag of patriotism. The flag epitomizes loyalty and commitment — in this case, commitment to a better Oklahoma.

MESSAGE FROM THE BOARD CHAIR

I am very excited about this opportunity to serve as Board Chair for Leadership Oklahoma.

I want to thank Sammye Cravens, who I follow, for serving as chair this past year. She has provided solid, wise leadership at a critical time of transition for the organization. Congratulations to Jodi Lewis as she begins this next chapter of LOK as president & CEO.

I look forward to Jodi's leadership as she pours her energy and love into LOK. Congratulations to our most recently graduated Class 36, who are part of our LOK family. I can't wait to meet the newest Class 37 as they begin their incredible LOK experience.

I am as optimistic and bullish on Oklahoma as I have ever been in my lifetime of residing in this wonderful place. As our state turns a young 117 this year, we are as poised as ever to take the next step to pursue growth and opportunity for our citizens. In my position at Oklahoma State University Institute of Technology, I am privileged to witness the talents of the next generation each day. It reminds me of how important our commitment to leadership is in this state.

In the coming year, I expect Leadership Oklahoma to continue to unlock the potential of this current class, facilitate substantive discussions about our state while enjoying its raw beauty, and learn more about our diverse culture and viewpoints. Civic engagement has always been at the core of what LOK is about. We need a citizenry committed to civic engagement and a citizenry committed to civic engagement in a civil tone.

Over the course of this year, I look forward to hearing your ideas and suggestions on how LOK can continue to be an effective program and how our state can continue to improve the lives of our citizens.

Chris Benge
Board Chair 2024-2025
Class XXVI

MESSAGE FROM THE PRESIDENT & CEO

As I reflect on my time as the new President & CEO of Leadership Oklahoma, I am filled with gratitude for the warm welcome I have received. I look forward to the start of each day getting to do the best job in all of Oklahoma.

I am so grateful for our small, mighty staff and the exceptionally hard work of Tina Biard and Vivian Le who are deeply committed to our members and our mission. A special thank you to our Immediate Past Board Chair, Sammye Cravens, for her support, accessibility, and guidance during my first six months in this role. Her passion for LOK and her boundless energy is contagious! I am forever grateful for her service and leadership as Chair this past year.

Leadership Oklahoma continues to spark positive change thanks to our incredibly generous sponsors and donors, with contributions that provide the necessary resources to deliver programs for adult and youth leaders unlike any other in the state.

We are so fortunate to have the most dedicated volunteers serving on our board and committees, and an enthusiastic membership base that are committed to continuing to learn from one another and strive to create the brightest future for Oklahoma.

Through the steadfast leadership of our new Board Chair, Chris Benge, Leadership Oklahoma will most certainly continue to grow and thrive. As we embark on the new adult and youth classes, new board, and new friends, I am filled with endless excitement and anticipation for what this new year holds. It is an honor to serve in this role, and I look forward to working with each of you as we drive our mission forward this year.

LEADERSHIP OKLAHOMA'S NEWEST LIFETIME MEMBERS

In 1987, Leadership Oklahoma created an endowment fund to generate a permanent source of income to offset administrative expenses and allow us to focus our fundraising efforts exclusively on program expenses. The endowment fund also serves as a financial cushion against lean times, and helps ensure that Leadership Oklahoma's mission will be sustained in perpetuity. In lieu of annual membership dues, graduates of Leadership Oklahoma may elect to pay a one-time fee (currently \$2500) to become a Lifetime Member. 100% of the Lifetime Membership fee is applied to the endowment fund.
