Having trouble retaining young workers?

Do your managers struggle to understand Millennials?

This 90-minute, self-paced online course shows leaders a Millennial speaker's first-hand stories about the real generational issues on the T.A.B.L.E. (technology, authority, balance, loyalty, entitlement).

Course participants will learn critical insights about all of today's workers in order to bridge the widening generational gaps and reduce unnecessary employee turnover costing your organization precious dollars.

How companies use this online course...

- Consistent training across multiple locations
- Catch-up session for those who missed it live
- New supervisor and manager orientation
- Prep for strategic planning or leadership retreats
- Deep-dive diversity training beyond the basics
- Continuing education credits (1.5 NAB-approved credits)
