LAMPAC is a non-partisan, state political action committee. It is a separate organization from LSMS and is responsible for political fundraising and candidate support. LAMPAC accepts voluntary contributions from its supporters and combines the individual voices of contributors into one strong, unified voice to support candidates who understand the challenges of providing quality health care in today's changing environment. LAMPAC's purpose is to protect physicians, their practice, and their patients. It does that by working hard to create a legislative environment that is open and fair when considering the interests of Louisiana physicians and their patients.
