

Brianna Weltlich OTR/L, CLT

Brianna has been an occupational therapist for 5 years and a certified lymphedema therapist for 3 years. Working in the acute care setting, her role traditionally includes essential rehabilitation and support for those recovering from injury or illness. With a passion for helping others regain independence, she has enjoyed creating personalized treatment plans that enhance recovery, including the skills necessary as a lymphedema therapist. Outside of her professional life, She enjoys spending time outdoors, reading a good book, and spending time with friends and family.
