

POSITION AVAILABLE

CONSERVATION AGENT

PART-TIME (10 HOURS/WEEK)

The Conservation Agent performs technical, administrative, enforcement, and laboring work providing environmental protection while carrying out the enforcement of applicable laws and regulations such as the Massachusetts wetlands Protection Act and local wetland Bylaw.

Required: Bachelor's degree in Environmental Science, Natural Resource Management, Marine Science, Land Use Management, Environmental Law Enforcement or a related field; three to five (3-5) years of experience in environmental management, or related field; or any equivalent combination of education, training and experience which provides the required knowledge, skills and abilities to perform the essential functions of the job. Valid Class D Motor Vehicle Operator's license. Specialized training in hydraulic soil recognition, plant identification, environmental mitigation, and wetlands delineation preferred.

Application and job description available on town website at www.westminster-ma.gov under Human Resources or email jbelleveau@westminster-ma.gov (978-874-7404). Starting pay: \$25.03-29.53/hr DOEQ. EOE. Applications due by November 28, 2017.
