

Brian Carey

Executive Director, CMBS Group

J.P. Morgan

Mr. Carey's primary responsibilities include the origination, pricing, structuring and syndication of subordinate commercial real estate debt including mezzanine loans, B-Notes and rake bonds. In addition, Mr. Carey arranges syndications of mortgage loans to a wide variety of domestic and international institutional lenders.

He previously focused on CMBS capital markets including the ratings and structuring of new issue SASB and conduit CMBS deals on a principal and agent basis.

Mr. Carey joined J.P. Morgan through the 2008 merger with Bear Stearns. At Bear Stearns, Mr. Carey was responsible for the origination and underwriting of commercial mortgages on all property types throughout the United States. Mr. Carey earned his B.A. in Economics from Williams College.
