

Job Summary:

The Pipestone County Attorney's Office is looking for an assistant county attorney. The Pipestone County Attorney's Office is a part-time county attorney's office for the county of Pipestone. The assistant county attorney's duties include prosecution of adult criminal cases and juvenile delinquency cases, handling child protection cases, civil commitments and child support matters. The assistant county attorney would also be employed by the law firm of O'Neill, O'Neill & Barduson handling private work for the law firm in the areas of estate planning and real estate. This dual-role position amounts to one full-time position. This is a unique opportunity to gain government trial experience while simultaneously gaining experience and compensation from the law firm.

Applications will be accepted until the position has been filled.

Minimum Qualifications:

Juris doctorate from an accredited law school

License to practice law in the state of Minnesota

Compensation:

Competitive pay and benefits.
