**Cyber Security and (Legal) Counseling . . . Critical Together**

**Michelle Schaap, Esq.**

Chiesa Shahinian & Giantomasi, PC

**Speakers**

**Brett Harris, Esq.**

Wilentz Goldman & Spitzer, PA

**North Carolina law firm loses all data when it paid the \$300 ransom too late**  
**Law firm loses three months billings due to ransomware attack**  
**DLA Piper attacked by "Petya" ransomware and must communicate via blackboard**  
**New England firm out of business – despite paying ransom demands.....twice**

These are just some of the firms hit by cyber-attacks. Attorneys are NOT immune, they are a treasure trove of information and are often the least equipped to weather the storm. This program will: advise how law firms must look at cyber security and privacy; examine current and pending NJ Law; discuss ethical considerations and requirements on electronic storage, access of client files and attorney obligations after a breach; and provide insight on cloud storage & privilege, contract considerations, engagement letters, risks, damages, mitigation, remediation and recovery.

*This program has been approved by the BCLE of the Supreme Court of New Jersey for 2.0 hours of total CLE credit. Of these, 2.0 qualify as hours of credit for ethics/professionalism. (Please note that Approved CLE Courses in NJ are Recognized for CLE Credit in New York.)*
