It is hard to believe that 2022 is already here! What once seemed like short-term adjustments to our lives have now become our new normal. When you stop and think about all that has changed since March 2020, there are few, if any, aspects of our lives that remain unchanged. But, not all of those changes have been negative. Maybe you have been able to spend more quality time with your family as a result of having fewer in-person social commitments. Or, maybe you have changed the focus of your practice and discovered a new area of law in which you are now thriving. Whatever changes you’ve experienced in your life, I hope that you are able to reflect and focus your mindset on the positive.

Research shows that when we genuinely notice and appreciate the good in our lives, we enjoy higher levels of well-being and positive emotions, are more optimistic and energetic, and even feel happier and more determined. Several years ago, I started a gratitude journal where I write down something each day that I am grateful for. While it started out as just jotting down a simple list each day, it has become one of my favorite parts of the day as I journal and reflect on the people and things that I appreciated or enjoyed that day. If nothing else, this exercise has forced me to realize that even on the most difficult of days, there is always something to be grateful for.

As we enter 2022, I want to challenge you to reflect upon the blessings that each new day brings and find the positive in what has become our new normal.

- Ashley Penhale

Since 1993, MCBA members have had a longstanding tradition of supporting local charity organizations by bringing gifts and donations to the Holiday Gala. This year was no different despite the challenges of COVID-19.

For the 2021 Holiday Gala, MCBA’s Board of Directors voted to support the Mid-Alabama Coalition for the Homeless (“MACH”). This year, MCBA members donated the following items to MACH to help the homeless in our area: 58 blankets, 146 hats, 13 jackets, 87 pairs of socks, 11 pairs of gloves, 1 set of luggage, 1 set of king size sheets, 1 board game, and $100.00 in donations.

MCBA Secretary/Treasurer, Ali Hawthorne, created an easy way to donate items online through an Amazon Wish List. All you had to do was (1) click a link; (2) choose a donation; and (3) select to ship the donation to Ali at checkout. Ali collected the donations that were sent to her home and arranged to deliver them to MACH before Christmas this year. She also brought them to the Holiday Gala so that the guests could see all the gifts that would be presented on behalf of the members of MCBA.

A GREAT BIG THANK YOU to EVERYONE who donated items to MACH—you made someone’s life a little easier this winter season. MCBA would like to send a special thank you to JERE BEASLEY, ALABAMA COURT REPORTING, and HUSEBY LITIGATION for their overwhelming support of MCBA’s charity drive this year.

MVLP UPDATE

Good things come to those who wait. That is what we have always been told, and that is what I am happy to report to supporters of the Montgomery Volunteer Lawyers Program.

The past two years have brought MVLP a lot of surprises: a global pandemic, court slow-downs, a move to a new office space, and new grant opportunities. Now, though, we are proud to announce that our most fervent wish for Christmas was granted. It was truly worth the wait.

State and local award winner and super-volunteer Peyton Faulk has been hired to lead MVLP beginning this month. Apart from her devotion to our program over the past years, Peyton brings a wealth of relevant experience to the job, including years as an attorney, business owner, non-profit lawyer, advocate for victims of domestic violence, prosecutor, and MCBA Board Member. The hundreds of hours Peyton has spent advocating for our clients as a volunteer, as well as her varied experience, made her a natural choice to lead MVLP. You all probably know her already, and if you do not, I bet you will soon.

MVLP is looking forward to our best year ever, continuing our community clinics, Lawyer 4 A Day, and traditional VLP cases in probate and family law. In addition, we will be launching new Financial Recovery Assistance initiatives focusing on consumer/housing law, child support collection & enforcement, and record-clearing.

Our new Executive Director is prepared to hit the ground running next year to energize and mobilize lawyers in Montgomery County to serve our friends and neighbors living with high need for competent legal help and low income. Our weekly MVLP e-newsletter will share all the opportunities to meet and talk with Peyton at social events, CLEs, and new clinics coming soon. If you need to be added to our list, e-mail our Volunteer Coordinator, Jenny Brown.

Happy New Year, friends and colleagues! I look forward to serving our courts and our community alongside you all in 2022.

Kelly McTear,
President of the
Montgomery County Bar Foundation
ADMINISTRATIVE & GUEST SPEAKER: Justice Mike Bolin gave the invocation and then Guest Speaker Chief Justice Tom Parker shared brief remarks and then thanked the bar for their support for access to justice and court funding. MEETING GUESTS: President Shepard recognized special guests including Chief Justice Tom Parker, Associate Justice Mike Bolin, Associate Justice Brad Mendheim, Justice Will Sellers, Alabama Supreme Court Clerk Julia Weller, Lynn D. Hogwood- Director, Academic Support Program, Meagan Corcoran, 3L Tyler Flowers, 3L Kristen Cochett, 3L Fran Pecci, 3L and Taylor Sims, 3L Matt McDonald. Chair of Alabama Law Foundation and Dawn Hathcock, Executive Director of Alabama Law Foundation.

REPRIMANDS:
Bradley Alan Green, Birmingham
Beverly Jean Howard, Montgomery
Brett Ashley King, Locust Fork
Lawrence Buford Hammett, II, Nashville, TN

PRESIDENT’S REPORT: President Taze Shepard recapped the themes for each month and highlighted the positive response that had been received. The themes have afforded many opportunities for CLEs and engagement with our attorneys. The themes have also given the bar staff excellent content and new contributors each month.

President Shepard reminded the Commissioners of many tools available to our lawyers through the ASB website and articles from The Alabama Lawyer that can now be accessed digitally and by audio. He shared that the Past Presidents’ Advisory Council has been a great resource for the bar and that he is hopeful that future presidents will consider appointing one as well. The Leadership Symposium will be conducted in the very near future following some unavoidable delays. There will be a session for Sections. Committees. Task Forces and Local Bar Leadership. President Shepard recognized Dawn Hathcock, Executive Director of the Alabama Law Foundation and she thanked President Shepard and the ASB staff for their support and informed the commission that she looks forward to working together to provide access to justice.

PRO BONO UPDATE: Commissioner John Stamps and Director Linda Lund provided an update on the Celebrate Pro Bono Task Force and events concluding for Pro Bono Month. They informed the board that Governor Ivey and the Alabama Supreme Court signed proclamations to recognize October 2021 as Pro Bono Month in Alabama. They thanked the commissioners and lawyers for participating in Pro Bono Month events that are going on around the state, including will clinics for seniors, health care and first responders. CLE events, and volunteering at clinics and help desks.

John Stamps recognized volunteer students Jayme Leadmon and Antionette Pruitt from Cumberland School of Law and Shelby Andrews and Danyel Peters from Jones School of Law. He also recognized student video contest award winner, Samantha Renshaw of the University of Alabama and shared her informative video
with the commissioners. Linda Lund shared that Chief Justice Tom Parker would be hosting a luncheon in November to celebrate new lawyer volunteers. The book club featuring A Knock at Midnight was a big success and likely to continue for years to come. Jones School of Law won the Law School Pledge having the largest number of students sign the VLP pledge.

OFFICE OF GENERAL COUNSEL REPORT: The General Counsel reminded BBC members that any organization hosting a CLE Presentation, who wanted a member of the OGC to speak should contact him immediately to get on the schedule since dates are filling up. There is a meeting of the Rule 7 Series Committee on November 10th at 10AM to consider the public comments to the proposed advertising rule changes. The OGC is working on updating formal opinion 1998-02 concerning ethical issues in third party billing audits, to also include current practices involving client mandated use of certain discovery managers and overbearing litigation guidelines.

SECRETARY/EXECUTIVE DIRECTOR’S REPORT: The Executive Director highlighted bar activities to include conclusion of Leadership Forum Class 15, bar exam results, Opening of Court & Red Mass, Pro Bono month activities. Licensing payments exceeding last years’ payments to date. 450 applications for February 2022 bar exam and the largest admission ceremony in ASB history with over 1000 new admittees for 2020 and 2021. Bar activities include the database conversion, application deadline for Admissions Director and Law Practice Management position of October 31, and nomination deadline of November 15 for Leadership Forum 16. Critical activities before the end of the year are filling staff positions, conducting the Leadership Symposiums for Sections, Committees, Task Forces and Local Bar Leadership, and finalizing revisions and recommendations to the Presidents and Leaders Manual and the continuing work of the Governance and Internal Operations Task Force. The Executive Director also announced that a survey would be sent to all Commissioners in the next month seeking information to help the bar serve the governing body better.

FINANCE DIRECTOR’S REPORT: The FY2023 State Budget Request at $6.73 million, a less than 1% increase from the FY2022 was adopted by the BBC. Some of the highlights of the budget include 3% increases in personnel costs, the normal adjustments to the travel budget lines to account for anticipated cost increases, and the alternation of the annual meeting from in-state to out-of-state each year, and a decrease in the grants budget line with discontinuing the Bar Outreach Grant.

ADDITIONAL STAFF REPORTS

LEGISLATIVE REPORT: The Alabama Legislature has recently completed one special session dealing with some of Alabama’s prison issues and is commencing a second special session beginning October 28 on redistricting. The bills/topics considered during a special session are limited to the call of the Governor (unless a 2/3 vote of the legislature deems otherwise.) During the prison session, the only legislation considered dealt with mainly the building or renovation of prisons. There was only one reform bill that passed and it provided for supervision upon release of certain prisoners. The regular session of the Alabama Legislature begins early this year (the 4th of the quadrennium) on January 11, 2022.

COMMUNICATIONS REPORT: After the last meeting, many of you used the circuit listservs we created along with the personalized meeting summary notes. I hope you received good feedback from the members in your circuit. We are also working on a PowerPoint that will be available for all bar commissioners to use when speaking to local bars or civic groups. It will highlight programs of the bar and ways that members can maximize their bar membership and improve their practice. We plan to roll this out at the next BBC Meeting. Finally, we have added a staff directory to the website. This will help you get to know staff members and their contact information.

ALAP REPORT: ALAP has been speaking to the local bars and sharing with them how they can play a major role in the mental health of attorneys in their area. There are currently four meetings scheduled for November, three meetings in December, and several more into the new year.
We are honored to be invited to have an audience with them. John Brinkley has played a large role in this effort, and is a great asset to ALAP. Two wellness CLEs are also scheduled for November. There has been a significant increase in inquiries and requests for help over the last month from all over parts of the state. Call come in daily from individuals seeking help as well as others who are concerned for them. Those calls are incredibly difficult to make and it is extremely encouraging when that happens. There is certainly a need: if you or someone you know is struggling with any mental health issue, please contact us. ALAP is confidential and we are here to assist.

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF ALABAMA

IN RE: CRIMINAL PROCEEDINGS )
BY VIDEO OR AUDIO ) CIV. MISC. NO. 2:20-mc-3910-ECM
CONFERENCE )

GENERAL ORDER

On March 13, 2020, the President of the United States declared a national emergency in response to the Coronavirus Disease 2019 (“COVID-19”) pandemic. On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act, H.R. 748 (the CARES Act), which authorizes the Judicial Conference of the United States to provide the Chief Judge of a United States District Court authority to permit the conduct of certain identified criminal proceedings by video or audio conference.

On March 29, 2020, the Judicial Conference of the United States made the appropriate findings as required by the CARES Act, finding specifically that “emergency conditions due to the national emergency declared by the President . . . have materially affected and will materially affect the functioning of the federal courts generally.” The CARES Act authorizes this Court, on its own motion, or upon application of the Attorney General of the United States or his designee, to authorize the use of video teleconferencing, or audio teleconferencing if video teleconferencing is not reasonably available, for the following criminal case events:

A. Detention hearings under 18 U.S.C. § 3142;

B. Initial appearances under Rule 5, Federal Rules of Criminal Procedure;

C. Preliminary hearings under Rule 5.1, Federal Rules of Criminal Procedure;

D. Waivers of indictment under Rule 7(b), Federal Rules of Criminal Procedure;
E. Arraignments under Rule 10, Federal Rules of Criminal Procedure;

F. Probation and supervised release revocation hearings under Rule 32.1, Federal Rules of Criminal Procedure;

H. Appearances under Rule 40, Federal Rules of Criminal Procedure;

I. Misdemeanor pleas and sentencings as described in Rule 43(b)(2), Federal Rules of Criminal Procedure; and

The CARES Act conditions the authorization of the use of video teleconferencing, or audio teleconferencing if video teleconferencing is not reasonably available, for these events upon the consent of the Defendant.

The CARES Act further authorizes this Court, on its own motion, or upon application of the Attorney General of the United States or his designee, to authorize the use of video teleconferencing, or audio teleconferencing if video teleconferencing is not reasonably available, to conduct felony plea proceedings under Rule 11 of the Federal Rules of Criminal Procedure and felony sentencings under Rule 32 of the Federal Rules of Criminal Procedure. The CARES Act conditions this authorization, however, upon this Court specifically finding that these particular proceedings cannot be conducted in person without seriously jeopardizing public health and safety. The CARES Act also conditions this authorization upon the district judge in each particular case finding, for specific reasons, that the plea or sentencing in that case cannot be further delayed without serious harm to the interests of justice. Finally, the CARES Act requires the consent of the Defendant.
On March 30, 2020, this Court entered a General Order in re: Criminal Proceedings by Video or Audio Conference, 2:20-mc-3910 (doc. 4), making the appropriate findings and authorizing the use of video teleconferencing, or audio teleconferencing if video teleconferencing is not reasonably available, to conduct all of the criminal case events described in the foregoing paragraphs with the consent of the Defendant. That Order further found that felony plea proceedings under Rule 11 of the Federal Rules of Criminal Procedure and felony sentencings under Rule 32 of the Federal Rules of Criminal Procedure could not be conducted in person, in this district, without seriously jeopardizing public health and safety. As such, the Order provided that in the event the district judge in a particular case finds for specific reasons that the plea or sentencing in that case cannot be further delayed without serious harm to the interests of justice, and the Defendant consents, that proceeding could be conducted by the use of video teleconferencing, or audio teleconferencing if video teleconferencing is not reasonably available. That authority was further extended to similar hearings under the Federal Juvenile Delinquency Act, 18 U.S.C. § 403.

The above-referenced Order was to terminate unless extended by further Order of this Court: (1) ninety (90) days from its entry; (2) on the last day of the national emergency that was declared by the President on March 13, 2020; or (3) the day on which the Judicial Conference of the United States determines that the emergency no longer materially affects the United States courts or this district, whichever occurred first.

The national emergency that was declared by the President on March 13, 2020, continues in effect; the Judicial Conference of the United States has not determined that
the emergency no longer materially affects the United States courts or this district; this order was extended on June 23, 2020 (doc. 8), September 18, 2020 (doc. 9), December 14, 2020 (doc. 10), March 12, 2021 (doc. 11), June 9, 2021 (doc. 15), and September 7, 2021 (doc. 18); and COVID-19 persists with a new Omicron variant recently discovered. For the reasons as stated, this Court finds that General Order in re: Criminal Proceedings by Video or Audio Conference, 2:20-mc-3910 (doc. 4) should be extended for an additional ninety (90) days. Accordingly, it is

ORDERED that General Order in re: Criminal Proceedings by Video or Audio Conference, 2:20-mc-3910 (doc. 4) is extended for an additional ninety (90) days and will then terminate unless otherwise extended by further Order. In addition, the Order will terminate automatically either on the last day of the national emergency that was declared by the President on March 13, 2020 or the day on which the Judicial Conference of the United States determines that the emergency no longer materially affects the United States courts or this district, whichever occurs first.

To the extent inconsistent with this Order, any order in this district is hereby SUPERSEDED.

DONE this the 7th day of December, 2021.
