CIRCULATION

The Gavel, the official publication of the State Bar Association of North Dakota, reaches an audience of over 2,700 readers in the legal community and can be found in law offices, libraries and government agencies across North Dakota.

To help advertisers get more for their advertising investment, *The Gavel* offers an enhanced digital edition of the magazine. The digital edition is available free of charge to anyone who visits the SBAND's website. This only increases readership among audience segments who do not regularly receive or subscribe to the magazine.

Another benefit of the digital edition is all the ads are interactive with hotlinks to the advertiser's website and/or email address. We realize the potential of increased business opportunities by targeting your products and services to this audience and appreciate your support of the magazine. *The Gavel* is published on a quarterly basis, in February(Winter), May(Spring), August(Summer) and November(Fall).
