HB 1392

Executive Director Weiler stated the Family Law Section Executive Committee has asked the SBAND Board of Governors to weigh-in on HB 1392. The Section's Executive Committee has drafted an amended version of the bill based on conversations with members of the section. The Family Law Section is opposed to HB1392 because of the presumption of shared parenting.

Recommendation / Conclusion: After discussion, the Board concluded to support the amendments as presented, but oppose the amended bill because of the presumption.

Action: It was duly moved and seconded to oppose the Engrossed House Bill and support the amendments. [D. Traynor / D. Einarson] Motion carried.

There being no further business, the meeting was adjourned at 3:28 PM.

Respectfully submitted,
