November 2021

Fall views at The College of Wooster

**Upcoming Webinars**

## Microsoft Power Platform Training

Microsoft and [ScholarBuys](#) will present a [set of webinar trainings](#) focused on Microsoft's Power Platform solutions in education. This data platform provides quick and easy data insights, automated processes, app building, and virtual agent capabilities built on the Common Data Service platform.

Power BI: **10:00 a.m., Tuesday, November 2**

Power Automate: **10:00 a.m., Thursday, November 4**

Power Apps: **10:00 a.m., Tuesday, November 9**

## Title IX Regulations Training

[Bricker & Eckler's](#) higher education team will host a [series](#) of Title IX webinars. Sessions will use discussions of hypothetical situations to encourage engagement, and Level 2 training events include live role-playing scenarios to allow participants to practice their skills. Trainings begin **Monday, November 8, Thursday, November 11, and Monday, November 15** for Levels 1, 2, and 3 sequentially.

## 2022 Higher Education Outlook: Insights to Gain Traction & Find Sustainability

Join [BKD CPAs & Advisors](#) at **10:00 a.m., on Tuesday, November 9**, as they dive into the 2022 Annual Higher Education Outlook for expertise on the latest challenges and trends in higher education. The [webinar](#) will offer insight to help create opportunities for growth and reach financial sustainability in an increasingly challenging economic environment.

## Mental Health of Students of Color: Identifying Stressors, Strengths, and Supportive Strategies

This [workshop](#) will help teams increase their awareness and implementation of practices that support the mental health of students of color. Join [Christie Campus Health](#) as they introduce common factors that influence mental health for students of color, discuss identity inclusive conceptualization, and introduce strategies and practices for supporting student wellbeing **at 12:00 p.m., on Tuesday, November 9.**

## Understanding Finance and Financial Aid's Role in Successful Stewardship

Join [Blackbaud](#) in this [webinar](#) at **2:00 p.m., Tuesday, November 9**, to discuss successful stewardship skills through providing transparency, building donor trust, and encouraging ongoing support by giving the donor a comprehensive view of their lasting impact on the institution.

## Strategies to Mitigate Risk on Your Campus

[IMA](#) will host a cyber security webinar covering the current cyber environment, risks and challenges facing private colleges, preparing an action plan, and changes in the cyber insurance marketplace. [Register for this webinar](#), held at **10:00 a.m., Wednesday, November 17**.

## AICUO 2022 Webinar Survey

AICUO is working to identify new topics for our professional development webinars. As part of this process, we are seeking information from our members about what topics AICUO should explore for potential webinars in 2022. Please respond to the [short survey](#) by **Friday, November 19**.

## 2021 Community Report for Advancement

By [Blackbaud](#)

Blackbaud has released its annual community [report](#) that shares significant analysis of higher education fundraising trends, donor insights and best practices to improve organizational effectiveness. The collected information can help institutions focus and prepare for the potential permanent effects brought by the pandemic, economic crisis, and the elevation of significant social justice issues - all to aid in building a more sustainable fundraising program.

# Sleep Deprivation and College Students - Statistics, Symptoms, and Solutions

By [Christie Campus Health](#)

With 70 percent of college students getting an insufficient amount of sleep each night, students can experience a number of symptoms that impact their academic life and mental health. Although there are many associated negative effects, there are ways to help. Christie Campus Health's Chief Clinical Officer, Kaitlin Gallo, [explores](#) the latest research and proven solutions to assist college students with this common issue.

## Recommend an Affiliate Member

Does your campus have a trusted business partner that you want to refer to the AICUO Affiliate Member program? Please email your recommendations to [mjames@aicuo.edu](mailto:mjames@aicuo.edu).
