

WEBINAR in partnership with

EDUCAUSE

THE FUTURE OF CAMPUS CONNECTIVITY

Tuesday, April 22

Join us to learn how West Virginia University (WVU) modernized residence hall connectivity to enhance the student experience and how Tennessee Wesleyan University (TWU) leveraged Boldyn's Executive Advisory and Managed Network Services to drive innovation.

Date: Tuesday, April 22

Time: 11am PT | 1pm CT | 2pm ET

As part of the EDUCAUSE Industry Insights webinar series, this discussion will feature WVU's Steve Watkins, TWU's Gail Harris, and Boldyn's David Hinson exploring the challenges faced by WVU and TWU as they worked to modernize campus connectivity and unlock time for innovation, how those efforts improved the experience of both students and staff, and the role of the Boldyn partnership in supporting their long-term institutional goals.
