Vice Chair, AMAC PAC Board of Directors  
CEO, db e Consulting LLC

## Furthering AMAC's Advocacy & Educational Initiatives

The AMAC Political Action Committee (AMAC PAC) works to further AMAC's direct advocacy and educational initiatives on Capitol Hill by making monetary contributions to federal candidates and political action committees and caucuses that understand and support equity in airport contracting and employment.

The AMAC PAC is non-partisan and provides our members with the means for concerted political action.
