About

Celebrating Women Who Move the Nation

The Conference of Minority Transportation Officials (COMTO) is pleased to host our **14th Annual Celebrating Women Who Move the Nation Awards** Breakfast. In observance of **Women's History Month**, to date, we have inducted 152 women into this signature class of leaders in the transportation industry.

Representing a broad cross-section of multi-modal transportation in both the private and public sectors, these women exemplify the very definition of excellence. While their areas of influence and affiliations are diverse, their unequivocal commitment to advancing and strengthening our nation's infrastructure is unparalleled.

We are excited to celebrate women leading and advancing America's transportation infrastructure and invite you to join us! We encourage you to take part in this momentous affair and look forward to you joining us for the transportation industry's signature event of the year. For more information, visit www.comto.org/cwwmn.
