

OCTOBER 28 - 29, 2025

Iowa Governors Safety & Health Conference

Join us this fall in Altoona for two days of conversation on how best to protect Iowa workers. Network with colleagues, make new contacts, and continue your growth as an OESH professional.

KEYNOTE SPEAKER

Richard Flynt is currently a senior consultant with the National Safety Council. He holds a bachelor's degree in Occupational Safety from the State University of New York at Empire State, and he holds the CSP and CIT certifications. Prior to his career in safety, which began in 2001, Mr. Flynt served in the U.S. Army, worked in production, then as an electrician, and then as a contract controls engineer, which allowed him to work in many manufacturing plants across North America. Since becoming a safety professional, Mr. Flynt has worked for a number of

manufacturing companies in the Food, chemical, and automotive industries. Richard has spoken at Regional and National ASSP and NSC conferences and has had articles published in ASSP's Professional Safety Journal.
