Benefits of Joining IAMU’s New Iowa Safety Education Program

Iowa Safety Education Program (ISEP) starts on January 1, 2022

Benefits:
- In-person classes at several locations in your old group’s area
- Pre-recorded webinars for most classes for those not able to attend the in-person classes
- Set topics planned for each month for the entire group
- Consistent and updated presentations for in-person classes each year
- Focused content & shorter classes
- Electric high voltage classes and bucket and poletop rescue
- Specialty webinars during the year by IAMU safety staff
- 35 Streaming videos, leader guides & quizzes available on IAMU website
- Other webinars available on website such as new/seasonal employee
- Calendar of classes and locations available on IAMU website
- Periodic audits: mock OSHA walkthrough every 5 yrs. OSHA record keeping and program reviews every 5 yrs.; OSHA noise survey of equipment every 3 yrs.
- Free templates available on website: JSA, PPE, Energy Control (LO/TO) procedures
- Customizable written programs available on website
- When practical, education to include hands-on instruction
- Maintain attendance database/records
- Audiometric, respiratory, CPR testing. If you have another company or clinic currently performing, then you would continue to use your current provider(s)
- Stabilize costs – no more fluctuation when an entity leaves
- Eliminate annual agreements & renewal meetings each year
- Individual agreements, both board and council or authorized person to sign
- Ease of joining or leaving group
- Establish the Iowa Safety Education Program Committee

On January 1, 2022 will be the first day of the new ISEP group to receive your OSHA education.
