Consulting Skills

Deloitte Consulting, LLP

Are you curious about what makes working in consulting different than industry? What types of work you could do as a consultant? What key skills you should develop if you want to enter the consulting field?

If you are interested in any of the above questions, join us to learn about a career in consulting during Deloitte's 'Consulting Skills' session on July 26th from 4-5PM CST.

The Deloitte team will cover each of the above topics and more, with speakers from across different actuarial practice areas.

Deloitte Consulting Overview: Deloitte Consulting is a management consulting firm that focuses on providing innovative solutions to both public and private clients all over the world. Deloitte employs actuaries across Life, Health, P&C, and Retirement/Rewards & Wellbeing practices to meet client's diverse needs (many other practitioners with their own backgrounds and expertise also work at Deloitte). Additional information can be found here:
