

LES Student Membership Application

In accordance with Article 2.5 of the LES Bylaws, Student Members are defined as:

Any person not qualified under any other class of membership who is enrolled full time as a graduate or undergraduate student of an accredited college, university, or post-graduate school and has a bona fide interest in the profession. Such membership shall continue until the close of the fiscal year of the society in which such person ceases to meet such qualifications. Students are entitled to the same benefits as a regular member.
