The National Wellness Institute believes that all wellness professionals, worksites, wellness councils, and wellness-oriented organizations can benefit from NWI membership. To meet the unique needs of large groups, brokers, chambers, councils, hospitals, healthcare organizations, and more, NWI provides bulk pricing on memberships for groups of 25 or more.

**NWI’s mission is to elevate and empower professionals who drive inclusive whole-person wellness that enables people to function optimally within their environment.**

**How are NWI bulk memberships set up and what is included?**
NWI bulk memberships are set up as Organizational memberships with one Administrator and multiple individual subaccounts that can be added and removed at any time. The Admin and each subaccount member receive all member benefits, including access to NWI’s exclusive online community, LinkedWELL, and exceptional discounts on an array of educational courses, events, resources, and tools.

**How much do NWI bulk memberships cost?**
The following price list applies to all bulk memberships. Purchases must be made in one transaction. No set-up fees apply. Activation and registration instructions will be provided to each group upon purchase.
- 25 to 99 members = $60 per member
- 100 to 499 members = $50 per member
- 500 to 999 members = $40 per member

**Important Considerations**
- With a commitment of 25 or more active memberships, NWI will provide a comprehensive member orientation for all new members, upon request.
- Please contact NWI with special requests for your group or organization. We’re happy to work with you on a membership solution that meets your unique need!
- NWI also offers team discounts on courses and events. Contact us for more information.
