

ASSURANT®

Assurant, New Prospanica Diversity Champion, is Actively Hiring Diverse Talent

Assurant supports a world of go. We protect, connect and support over 300 million consumers around the world. We partner with industry-leading brands to safeguard major consumer purchases, including mobile devices, motor vehicles, appliances and electronics, travelers and credit card holders, mortgage loans, and so much more. **We are a Fortune 500 company with approximately 14,000 employees in 21 countries globally.**

It takes a team of dedicated people to secure our position as a market leader in our business lines. Everyone at Assurant-no matter their role, skills, or where they are located around the world-is united by common principles. These incorporate our unwavering purpose, our uncompromising values, our unbeatable advantages, and our strategic vision.

Core to our values is our commitment to inclusion. We exercise common sense and common decency. Our uncommon thinking fosters innovation and drives uncommon results. Everywhere we operate, our goal is to attract, hire and retain a diverse mix of talented employees who bring our values and purpose to life. We value differences in experience and perspective. We seek out individuals with varied backgrounds from all segments of society to serve our customers and clients around the globe.

Assurant is proud to be recognized for our commitment to diversity, equity, and inclusion. We are passionate about employing and engaging a diverse workforce and continue to focus on our people in benchmarking ways. New in 2021, as part of our heightened DEI efforts, Assurant is forging strategic partnerships with organizations dedicated to women and underrepresented groups. **We are proud to be a Prospanica Diversity Champion at the National level, and we are excited about our partnership with Prospanica's Miami chapter.**

We hire employees in a variety of areas throughout the organization, including **Finance & Accounting, Information Technology, Compliance, Human Resources, and Legal**, and encourage Prospanica members to apply to our open roles on <https://jobs.assurant.com/>

Here's a sampling of roles that we are actively recruiting for this month:

- Director, Product Development
- AVP, Delivery & Payment Solutions
- AVP, US Privacy Officer & Privacy Counsel
- Director, Quality Assurance & Process Management

We encourage Prospanica members to check out our open roles and apply!
