

VVFS VETERAN JUSTICE SPECIALIST (VJS)

The VVFS Veteran Justice Specialist (VJS) provides direct services to justice-involved veterans and service members interfacing with courts and diversion/veteran docket programs, during incarceration, and upon reentry to the community. The VJS identifies needs, develops a coordinated services plan, and connects the veteran/service member to community resources. The VJS also attends veteran resource fairs and other events for justice-involved veterans.

For additional information on Veteran Justice Specialists, please contact the DVS VVFS Criminal Justice Director at (804) 225-4734.

VA VETERAN JUSTICE OUTREACH SPECIALIST (VJO)

The purpose of the Health Care for Re-entry Veterans (HCRV) Veterans Justice Outreach (VJO) program is to avoid the unnecessary criminalization/incarceration of Veterans who are suffering from mental health and substance use disorders, and are at risk of becoming homeless. This will be accomplished by ensuring that eligible justice involved Veterans have timely access to Veterans Health Administration mental health and substance use disorder treatment and services when clinically indicated. Linkage to other services and benefits will also be provided as appropriate to both VA Medical Center and non-VA Medical Center community and state providers.
