Whether it’s reading scores, mental wellness, or behavior modification, you’ll be equipped with a powerful, proven framework for goal achievement personally, professionally, and for use within your school community. We’ll dive into the 4 Disciplines of Execution (4DX)—Focus on the Wildly Important, Act on Lead Measures, Keep a Compelling Scoreboard, and Create a Cadence of Accountability—to produce breakthrough results, even when executing the strategy requires a significant change in behavior from your teams.
