Hi Steve,

Thank you for your interest in running for TEPSA state office! The next step is to let me know which office interests you by December 1 at the latest.

We have two options:

Member At-Large: A 2-year term that supports the work of the association.

Vice President: A 3-year term that supports the work of the association and culminates in serving as the President.

TEPSA Bylaws require that we have at least two applicants for each position. Currently we have two people who have applied to run for Member At-Large and one person who has submitted their name for Vice President. However, please select the office that most interests you. Per the TEPSA Bylaws, the Nominating Committee will vet candidates to select two people for each position who will advance to run in the election.

All of the information is located in the [Running for State Office section of our website](#). Be sure to view the election timeline, guidelines for submitting your candidate information, and samples to make sure your application is complete. Candidate information is due December 10 so we have a quick turnaround.

Let me know if you have any questions.

Thanks!

Anita
