This name will default to the city's primary contact if you log in as the city and to you if you log in as you. If neither is registering for this event, simply type over the name.

Complete the remaining information as appropriate.

I would recommend not selecting the check box. We can handle address updates on our end.

Then, click to save and add the next attendee.

Once you scroll down, you can select from any accounts tied to the City's by this drop down menu. Or you can simply type in the next name. (You have to be logged in as the City to select from the drop down menu.)

Once you're done adding registrants, select the Save & Proceed to Checkout. No registration is complete until you check out. You can pay by credit card or select the Bill Me option. The Bill Me option generates a detailed invoice for you automatically. You can always log back in to view and print the invoice, and to pay it with a credit card.
