

Field Day – Condition Assessment and Equipment Demonstrations

	8:00 to 8:30	Registration
15	8:30 to 8:45	Opening Comments: AWWA, RCAP, DEQ
45	8:45-9:30	Using Condition Assessments to Improve Reliability
	9:30 to 9:45	Break
		Morning Field Demonstrations
60	9:45 to 10:45	Choose one session from below.
		Condition Assessment: Hydrants
		Condition Assessment: Pipe Condition
		Condition Assessment: Leak Detection
		Data Management using GIS Web Applications
	10:45 to 11:00	Break
60	11:00 to 12:00	Choose one session from below.
		Condition Assessment: Hydrants
		Condition Assessment: Pipe Condition
		Condition Assessment: Leak Detection
		Field Inspections using GIS Mobile Applications
	12:00 to 1:30	Lunch/Open Exhibits/Networking
30	1:30 to 2:00	All about the DATA: GIS Mapping and Computerized Maintenance Management
	2:00-2:15	Break
60	2:15 to 3:15	Choose one session from below.
		Condition Assessment: Hydrants
		Condition Assessment: Pipe Condition
		Condition Assessment: Leak Detection
		Condition Assessment: Meter Technologies
	3:15 to 3:30	Break
30	3:30 to 4:00	The Value of Water
	4:00 to 4:30	Evaluations and Continuing Education Sign-off
