Mrudula Munagala, MD

Dr. Mrudula Munagala is the director of integrative heart failure at Jackson Health System. She is also a heart failure, mechanical circulatory support, and transplant cardiologist at Miami Transplant Institute. Dr. Munagala completed her residency and a fellowship at Drexel University College of Medicine. She is board-certified in internal medicine, cardiovascular disease, heart failure/transplant, echocardiography, and nuclear cardiology. Her specialties include pulmonary hypertension, mechanical circulatory support devices, and cardiac amyloidosis.

We look forward to seeing you on Thursday, April 17, at 5 p.m. EST for this unique, interactive opportunity with your peers!
