Rosario Colombo, MD, FACC

Dr. Rosario Colombo is a medical director of inpatient cardiovascular services and medical education for Jackson Heart Institute. He earned his medical degree at the University of Miami Miller School of Medicine, and completed a residency in internal medicine at Jackson Memorial Hospital. Dr. Colombo also completed a cardiovascular disease fellowship at Jackson Memorial Hospital. He is board-certified in cardiovascular disease, adult echocardiography, nuclear cardiology, and internal medicine. Dr. Colombo specializes in cardiomyopathy, congestive heart failure and hypertensive heart disease.

We look forward to seeing you on Tuesday, September 23, at 5 p.m. EST for this unique, interactive opportunity with your peers!
