Present

Buprenorphine Induction in Primary Care Setting

Kelsey Carter, APRN

None of the planners or speakers for this activity had any relevant financial relationships to disclose.

Virtual Webinar, Microsoft Teams
April 10, 2025
4 - 5 p.m.

Educational Objectives:

By the end of this presentation, participants should be able to:

- Understand what Buprenorphine is and its uses.
- Identify patients who will benefit from Buprenorphine.
- Use best practices for administering Buprenorphine in a primary care setting.

Target Audience:

All interested health care professionals.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Dade County Medical Association and the Florida Department of Health in Broward County. The Dade County Medical Association is accredited by the Florida Medical Association to provide continuing medical education for physicians.

The Dade County Medical Association designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
