

VIII. International Medical Graduate

Qualifications. A Doctor of Medicine who graduated from an international medical school program who does not have a valid or unencumbered Florida license in any medical discipline but is residing and working in Miami-Dade County may apply for International Medical Graduate Membership provided he or she is actively pursuing a medical license under the Board of Medicine. In order to adhere to the requirement of actively pursuing a medical license, a doctor may not claim International Medical Graduate membership status for more than five (5) years.

Privileges. International Medical Graduate Members shall not have the right to vote or the right to hold office or to serve and vote on committees established pursuant to Section 5.01 (III) B. They may attend any of the meetings of the Association which are open to Active Members.
