

84TH ANNUAL CONFERENCE

September 16-19

BRANSON CONVENTION CENTER

****NEW Full Registration
(\$400)**

Keynote: Michael Bazzell

Protecting Your Organization From Computer Crime

Michael Bazzell has been investigating computer crimes on behalf of the government for more than 20 years. During the majority of that time, he was assigned to the FBI's Cyber Crimes Task Force where he focused on online investigations and open source intelligence (OSINT) collection. As an active investigator, Bazzell has been involved in major criminal investigations including online child solicitation, child abduction, kidnapping, cold-case homicide, terrorist threats, and computer intrusions. Bazzell also served as the technical advisor for the television hacker drama "Mr. Robot". His books "Open Source Intelligence Techniques" and "Hiding from the Internet" have been best sellers in the United States and Europe. Bazzell currently works and resides in Washington, D.C., and serves as an advisor for the privacy app Sudo.

Wednesday Breakfast Keynote: Patrick Ibarra

Patrick Ibarra, a native of Gladstone, MO is an entrepreneur of ideas and architect of innovation, who seeks to challenge the status quo of "we've always done it that way" and replace it with a progressive approach to continuous improvement. With experience as a city manager, he is co-founder and partner of the Mejorando Group.

- Welcome Reception (2 drink tickets)
- Keynote Presentation
- Exhibit Hall Entry
- Monday Box Lunch

"The best MML Conference I have attended in the last 20 years."

"This was my first conference, and I was very impressed with MML and look forward to being more involved."

"I really enjoyed the conference. A lot of great information was provided in the break out sessions. I'm looking forward to Branson in 2018!"
