

MML 85th Annual Conference Sept. 8-11, 2019 | St. Charles, Missouri

Sam Glenn

MML Keynote Address:

Sam Glenn

Attitude Changes Everything!

Sam Glenn, attitude changes everything. At one time, Sam Glenn was barely getting by working odd jobs at night. He was negative, depressed and sleeping in his car or on borrowed floor space. It was a series of positive events from knocking over the legendary Zig Ziglar at a buffet to simple cups of coffee with good friends that gave Sam what he calls a KICK IN THE ATTITUDE to turn his life around. Sam began working on developing a more positive attitude.

As Sam's attitude changed, everything changed. He discovered renewed purpose, happiness and humor. For the past 20 years, Sam has become regarded as one of the most fun, entertaining and inspirational conference kick off speakers. Sam has been named "Speaker of the Year" on several occasions by meeting and event organizations and won two national awards for his training videos. In addition, Sam is a gifted artist and author of 23 books that focus on personal and professional development. Sam and his growing family currently reside in Carmel, Indiana.

Wednesday Breakfast Keynote: Medical Marijuana: Overview and Panel

The conference closing breakfast will provide attendees with the opportunity to learn about the regulations and licensing procedures surrounding medical marijuana. The opening presentation will feature Lyndall Fraker, director, Medical Marijuana Program, Missouri Department of Health and Senior Services. Afterwards, panelists will include Mara Perry, director of planning & development, Webster Groves; Eric Walter, general counsel, Mo-Cann Trade Assoc; and Kenneth Heinz, attorney, Curtis, Heinz, Garrett and O'Keefe.

MML Nominating Procedures

The governing body of the Missouri Municipal League consists of the president, vice president, all past presidents who continue to hold elective office, 12 board members who are elected municipal officials and five board members who are appointed municipal officials. The Bylaws require there be at least one board member from each of the nine Missouri Congressional Districts, and no municipality can be represented by more than one board member (except officers and past presidents). Board members are limited to not more than two consecutive full terms. Officers (president and vice president) shall have served not less than one year on the board.

At the Annual Conference, nominations for president, vice president and board members are made by a Nominating Committee of not more than 11 municipal officials appointed by the president. The Committee holds an open session to explain the nominating procedures and to allow delegates to suggest names for nomination. The Committee then meets in executive session to prepare a slate of nominees. At least 24 hours before the Business Meeting, the Committee posts the slate of nominees. Within 10 hours of the Business Meeting,

other nominations may be made by petition signed by at least 10 municipal officials representing at least 10 municipalities. The petition provision provides an open process within which interested municipal officials may challenge the Committee's nominees.

The Nominating Committee determines which members of the slate may be contested by the petition without jeopardy to the requirements of the Bylaws for the composition of the board. The vote in any contested election is by written ballot, and each member city present has one vote.

The board of directors and membership have adopted an open and accessible nominating procedure. Municipal officials are encouraged to communicate suggestions to the Nominating Committee directly or through League headquarters. The committee members solicit input at the Annual Conference (where they are easily identified by ribbons) and at the open meeting of the Committee. Your MML nominating process is open and easy, but it is up to you to use it. 🍃

2019 Resolutions Committee

The 2019 Resolutions Committee of the Missouri Municipal League will meet prior to the Conference on July 24 to consider the recommendations of the four separate policy committees. The report of the Resolutions Committee will be made to the delegates at the business meeting during the Conference. Any municipal official desiring to have a specific topic considered should submit a proposed resolution to League headquarters as soon as possible. Any resolutions brought directly to the Annual Conference must be submitted 24 hours before the annual business meeting with copies (200) provided to the League's president, the resolution's chair and the executive director.

The statements recommended by the Resolutions Committee and approved by official vote of the League's membership will become the "Municipal Policy Statement" for 2019-2020. This policy will provide the guidelines for the legislative program of the League, and direct the activities of the League's staff during the 2020 session of the General Assembly.

Mayor Ken McClure of Springfield has been appointed chairman of the Resolutions committee for 2019. 🍃
