Estimated Motor Fuel Tax Distribution - City Share (15%) Ten-Cent Motor Fuel Tax

Funds are distributed to cities based on the ratio of city population to the total population of all cities in the state of Missouri. The accompanying city distribution is based on 2017 data, and is updated when census data changes.

ESTIMATED Additional Annual City Funding based on 2017 data:

Winston	\$4,074
Woods Heights	\$11,278
Woodson Terrace	\$63,908
Wooldridge	\$960
Worth	\$991
Worthington	\$1,275
Wright City	\$49,060
Wyaconda	\$3,571
Wyatt	\$5,018
<hr/> TOTAL	<hr/> \$61,843,911

Estimated Motor Fuel Tax Distribution - County Share (15%) Ten-Cent Motor Fuel Tax

Funds are apportioned on two factors: one-half of the funds are credited to the county based on the ratio that its road mileage bears to the total county road mileage in the unincorporated areas of the state, and one-half is credited to the county based on the ratio that its rural land valuation bears to the rural land valuation of the entire state.

The City of St. Louis receives 0.25 percent of total available funds and the remaining 14.75 percent is distributed based on the formula described above. The accompanying distribution is based on 2017 data and is updated annually.

ESTIMATED Additional Annual County Funding based on 2017 data:
