

## MML 2019 Legislative Conference

On Feb. 12-13, 2019, MML hosted its 49th Annual Legislative Conference. The event featured a new structure, with the more than 250 attendees visiting with legislators during the first afternoon of the Conference. After the visits, attendees regrouped at the Capitol Plaza Hotel for a dinner and to hear Missouri Senator Dave Schatz, who serves as the Missouri Senate Local Government Committee Chair. The following morning, Missouri Governor Mike Parson visited with attendees, making a point to support local decision making and applaud the hard work of local officials.

A dialogue session near the end of the Conference allowed attendees to share how the Capitol visits went and to discuss top issues cities face. 🍃
