A special thank you to our 2018 conference sponsors

Please take a moment to learn more about our Gold, Silver, and Bronze sponsors and visit their exhibit tables showcased Thursday, Oct. 18.

GOLD CONFERENCE SPONSORS

Accuride International | Accuride.com
(562) 903-0200 | Santa Fe Springs, CA

Senseon Secure Access by Accuride International is a professional-grade electronic locking system for cabinetry and casework in virtually any healthcare or lab environment. This state-of-the-art system can benefit medical and lab facilities in many ways, including:

- Keeping hazardous materials such as medications, sensitive records, valuable equipment, and medical supplies safe from patients and other non-authorized personnel.
- Helping providers and practitioners meet compliance regulations set forth by government and private agencies while providing safe and effective care of the highest quality.

Senseon grants access to secure contents, such as medication, documents, and cleaning supplies with just a tap of a keycard, badge-affixed tag, or other RFID credentials.

Essentia Health | essentiahealth.org

Essentia Health is an integrated health system serving patients in Minnesota, Wisconsin, North Dakota and Idaho. Headquartered in Duluth, Essentia Health combines the strengths and talents of 14,700 employees, including more than 1,900 physicians and advanced practitioners, who serve our patients and communities through the mission of being called to make a healthy difference in people’s lives.

Essentia Health, which includes many Catholic facilities, is guided by the values of Quality, Hospitality, Respect, Joy, Justice, Stewardship and Teamwork. The organization lives out its mission by having a patient-centered focus at 15 hospitals, 74 clinics, six long-term care facilities, three assisted living facilities, three independent living facilities, five ambulance services and one research institute.

Essentia Health is accredited as an Accountable Care Organization by the National Committee for Quality Assurance.
Mitchell Hamline School of Law | mitchellhamline.edu
(651) 695-7675 | Saint Paul, MN

The Professional Legal Education Programs at Mitchell Hamline School of Law are intensive, timely, practice-based certificates taught by experts in the field, for emerging leaders and working professionals. Our mission is to broaden access to legal education, with programs designed for professionals seeking training in the law. The programs are 100% online, asynchronous cohort models with start dates throughout the year. The Health Law Institute provides a deep understanding and real-life experience through specialized courses, certificates of study, and experiential learning opportunities. The institute bridges the gap between health law scholarship and policy through engagement, collaboration, and innovation.
