

# MISSOURI PUBLIC WATER COUNCIL

November 29, 2018

## Round-Table and Workshop

November 29, 2018: 10:00am – 3:00pm  
627 W. Centennial Ave.  
Carthage, Mo 64836

**10:00 am - Welcome and Introductions: Zac Johnson, Chair**

**10:05 am – Missouri Water Quality Standards Packet: David Carani, HDR**

We are eagerly awaiting EPA's decision on the Missouri Water Quality Standards Packet. We have a discussion on the science behind the numeric lake nutrient criteria and what to expect as Missouri Department of Natural Resources implements the new rule.

**10:35 am – MPUA Updates: Lacey Hirschvogel, MPUA**

- Review of MPUA's mutual aid program and how we can better incorporate water and wastewater;
- Legislative priorities relating to water;
- MPUA-RSC's grant from the Clean Water State Revolving Fund and;
- MDNR Water Protection Forum – Dec. 11<sup>th</sup> agenda overview.

**11:00 am Round-Table Discussions**

Time for each member city to discuss what is currently on their "to-do" list and how current projects are progressing.

**12:00 pm – Lunch**

**1:00 pm – Smart Sewer: Jason Choate, Carthage Water and Electric Plant (CWEP)**

Carthage will present on the innovative practices they are using to monitor flows and rehab their city's wastewater collection system.

**2:00 pm – Wastewater Treatment Facility Tour: Jason Choate, CWEP**

**3:00 pm – Adjournment**
