

MISSOURI PUBLIC WATER COUNCIL

November 6, 2019

Roundtable and Workshop

November 6, 2019: 10:00am – 3:00pm
801 E. Switzler St.
Centralia, MO 65240

10:00 am - Welcome and Introductions: Zach Johnson, Chair

10:05 am – Integrated Planning, City of Shelbina and McClure Engineering

Here from Dennis Klusmeyer and Philip Wilson on the developing integrated plan for Shelbina's wastewater and water systems. The city is developing a timeframe to mitigate peak wet weather flows, meet copper, zinc, and bacteria effluent limits, anticipate future nutrient limits, and continue collection system rehabilitation all while considering the necessary drinking water improvements that should be made in order to continue to provide safe drinking water to the residents of Shelbina.

11:05 am – MPUA Updates: Lacey Hirschvogel, MPUA

- Blending;
- Legislative Priorities;
- MDNR OpCert Prison program;
- Water and Wastewater Fees discussion;
- Training opportunities and;
- MDNR Water Protection Forum – November 13th agenda overview.

11:35 am Round-Table Discussions

Time for each member city to discuss what is currently on their “to-do” list and how current projects are progressing.

1:30 pm – Irrigated Wastewater, Mike Forsee

Learn from Mike about the benefits of a wastewater irrigation system. We will also take a tour of the system.

3:00 pm – Adjournment
