Strategic Framework

Increase the number of people in Missouri's workforce

- **Become the best place to live and work**
- **Connect all Missourians with work**

Increase the productivity of Missouri's workforce

- **Develop a labor market that works**
- **Work in a 21st century way**
- **Build infrastructure to drive economic development**

Compete to win

- **Work together/compete together**
- **Create a new approach to economic development**

**The New DED
will be**

Regionally Targeted

Customer Centric

Data Driven

**and
Laser Focused**

Next Steps – Finalized in Next Month

- Administrative – Implementation beginning shortly
- Executive – Working with the Governor's Office and Cabinet now
- Legislative – Will bring recommendations as needed before the General Assembly

Larger Priorities

- Workforce Development, Infrastructure, and Government Efficiency
- Cabinet has formed working committees for each of these three areas
- Tangible recommendations for due to Governor by end of September
- Rest of year is refining and working with stakeholders and legislators
