

## **North America Legal and Regulatory Affairs Committee ESP Leadership Development Program**

### **Committee's scope and research interests**

The NA LRA strives to:

- Provide support for leading-edge educational events (webinars, Cell Therapy Liaison Meeting)
- Drive committee and society membership
- Build and promote the visibility of ISCT's regulatory partnerships

### **Projects and responsibilities for the ESP member**

- The NA LRA is recruiting an ESP to be the key liaison for monitoring the current regulatory landscape, specifically Health Canada and FDA.
- This ESP will author the WatchDog report for the ISCT community while supporting educational initiatives such as webinars.
- The ESP will support the consultation efforts, such as providing and consolidating comments for draft guidance documents.

### **ESP member's opportunities within the Committee**

Contributing to the committee's deliverables along with the opportunity to work with experienced members in relation to their sphere of interest.
