Preamble of Parents Without Partners, Inc.

AS CONSCIENTIOUS SINGLE PARENTS, it is our primary endeavor to bring our children to healthy maturity, with the full sense of being loved and accepted as persons, and with the same prospects for adulthood as children who mature with their two parents together.

ADULTS AND CHILDREN in single parent families face unique and challenging circumstances. For children to mature and flourish in the absence of either parent requires an added measure of love, understanding and sound guidance. To provide these is a responsibility inherent in parenthood, regardless of marital status.

THE CHALLENGE OF PROVIDING for both ourselves and our children a nurturing family life is often complicated by established patterns of community life. Consequently, a need for community resources to assist single parents in communication and meeting their special circumstances exists.

THEREFORE, IN THE CONVICTION that we can achieve this end by working together, through the exchange of ideas, and through mutual understanding, help, and companionship which we find with one another, we have established "*PARENTS WITHOUT PARTNERS, INC.*" to further our common welfare and the well-being of our children.

Who We Are

Parents Without Partners (PWP), Inc. is an international, non-profit educational organization devoted to the welfare and interests of single parents and their children. PWP was incorporated in New York in March 1957 and now has Chapters in the U.S. and Canada. Its programs and activities are entirely the volunteer work of members of PWP Inc.

Who is Eligible?

You are eligible for membership if you are a parent of one or more children; single due to death, divorce, separation, or never being married; and are of good character. Neither custody nor age of your child or children is a factor in eligibility.

How to Join

You must attend an orientation about PWP. You will need to complete an application form and pay your first years dues.

What We Offer

PWP chapters offer members friendship, support, and understanding. As fellow single parents, we know the ups and downs of life. Educational, social and family activity programs help members become better parents and make new friends. Those who have recently divorced or are surviving the death of a loved one learn how to restructure their lives, how to be alone without being lonely and how to communicate more effectively. They learn how to get more out of life and love again. While members are all single due to divorce, separation or death, PWP is not a lonely hearts club or a dating service. PWP is a non-profit, nonsectarian, educational and social organization devoted to the welfare and interest of single parents and their children.

Did you know not only are there committee meetings, they also reach out to the members who contact them for information

We have a mix of IBOD members; some are former teachers, professionals. Some are retired, some are still working full time jobs and we have some with minor children

PARENTS WITHOUT PARTNERS, INC.

***From the Desk of the President
Janet Gallinati***

Recently we discovered some problems with checking accounts within Chapters. It seems that Chapters are not updating signature cards when the Chapter gets new officers. This becomes a real problem when something happens to that signatory. Has everyone read Policy ??? All Parents Without Partners checking account REQUIRE two signatures on each check written.

This is not something new. The signature card should have at least signatures listed, so if one signatory is unavailable, we still have signatories to sign the checks.

I have asked every Zone President to contact each and every one of their Chapters and Regions and find out who the signatories are every checking account that a chapter may have..

This is real problem that must be corrected and everyone be aware of.

This is something that each Chapter/Region must do. There have been and will be elections going on and this is the perfect time to do this. The first available date after the elections, the new officers should make arrangements to meet at the bank to accomplish this task. PLEASE NOTE: the previous signers must be there as well to have their names removed.

If anyone has any questions about this, please contact me and THANK YOU for your anticipated cooperation in accomplishing this necessary task. !!!!

Janet Gallinati, President

NOTE FROM INTERNATIONAL TREASURER

ATTENTION CHAPTERS, REGIONAL'S AND ZONES.....

After you have had your elections, please do the following within 30 days:

- #1 Send new Chapter List of Officers to the International Officer.
- #2 Complete Treasury audit and send to your Zone /Regional Treasurer

#3 Update/change the signature cards at the bank for updated signers. 2 are required but it is good to have a third signature on the card in case of emergencies.

IT IS THE RESPONSIBILITY OF THE TREASURER to make sure that these things are done within the thirty (30) days after the elections and sent to the respective Treasurer at each level of PWP. If you have any questions regarding financial aspects of PWP, please feel free to contact via phone or e-mail. I am your International Treasurer, I am here to assist you in any way possible but I cannot do that if you do not contact me.

cltm`19@yahoo.com

ADVANCE NOTICE

Due to the increase in the insurance surcharge, please note that the amount of the surcharge has been increased from \$28.00 to \$29.00. This affects the amount of money that will be returned to the chapter once the member has remitted their renewal dues to the office.

It also affects the chapter membership person should a member pay their dues to the chapter (which really should not be done). Should this happen, the Membership person should send the complete annual dues to the office and the office will return the difference to the chapter. However, in some cases Chapters only remit the portion belonging to International. If that is the case, please mark in your checkbook that the amount to remit is \$29.00 starting with May renewals.

Every Chapter will be getting a copy of the new forms which shows the surcharge listed at \$29.00. A copy of the form is printed in this newsletter. PLEASE PLEASE destroy all other forms as they are now outdated and no longer useful in the maintaining good, accurate records for your chapter. If you have any questions regarding this, Please contact Chris Manning, your International Treasurer or Lorretta Bradley, International Vice President of Membership.
